"I am passionate about community development and agriculture."

Michelle Dees

Drake State Technical & Community College

"Due to my mother and aunts being educators, I am passionate about acquiring and providing education."

Olivia Driggs

University of Alabama

"I am an individual who loves often and loves hard. Especially when it comes to animals and children. My passions are driven by those who are unable to stand up for themselves."

Alyssa Flack

University of Alabama at Birmingham

"I am incredibly passionate about social issues and creating more welcoming spaces for those who are not in the majority."

Mallori Gorham

University of Alabama

"I am most passionate about serving people and learning new things in the process of doing so."

Sarah Gronberg

University of Alabama in Huntsville

"I am passionate about relationship development. A central component of the Spark program is Community, which is directly related to relationships."

Mike Haney

Athens State University

"Having actively served as an officer with Active Minds, Phi Theta Kappa, and the Student Government Association, I am passionate about servant leadership."

Roosevelt Hardy

University of Alabama in Huntsville

"I am passionate about making a difference in the state of Alabama. One of my main objectives in life is to help the minority communities."

Sam Lewis

University of Alabama in Huntsville

"Entrepreneurship! I am greatly passionate about innovation, hard work, and achieving goals. For me, these three things are perfectly represented in entrepreneurship."

Wesley Lowman

Auburn University

"One thing I am passionate about is computer science. I love computer science because it provides endless possibilities for engineers to come up with digital solutions."

Brayden McCarver

University of Alabama in Huntsville

"I am extremely passionate about space exploration and aviation. One of the reasons I love Huntsville so much is that it plays such a major role in space exploration."

Linley McNeese

University of Alabama in Huntsville

"An area I am passionate about is self-improvement in my personal life. I am always trying to find something to learn."

Arthur Murray

University of Alabama in Huntsville

"I am very passionate about not being afraid of innovating and improving things that already exist. I believe that there is always more room to improve and add on to something."

LaMytiana (Tiana) Peoples

University of Alabama at Birmingham

"I am passionate about my faith, community, and professional development."

Haley Radden
